4. Motivation for applying

Please briefly describe why you would like to be part of the Acute Medicine JLA PSP Steering Group (free text: no more than 250 words):

5. Relevant skills and experience

Please outline any skills, experience or perspectives you feel you would bring to the Steering Group (this might include: clinical, research, lived experience, leadership, facilitation, patient advocacy) (free text: no more than 250 words):

Can you tell us about any networks, groups or communities you are part of? This can include informal networks, professional membership organisations, or online groups that you are a member of. (free text: no more than 250 words):

6. Time commitment and organisational support

Please confirm the following:

- ☐ I understand the expected time commitment (This includes a 2.5 hour initial group meeting, followed by monthly online meetings (1-1.5 hours), with at least one in-person meeting during the project).

☐ I confirm that I have the support of my line manager, clinical service lead (CSL), or equivalent to take part in this work (if applicable).

We can accommodate access needs where this will support participation in the project – please let us know if you there is anything that would be needed to support you to take part:
