

# Acute Medics as Improvers

## Eliminating Corridor Care

(A Coached QI Collaborative Programme)

**Acute Medics as Improvers** is a bespoke Quality Improvement programme is delivered over *four half-day sessions with four 2hr coaching sessions* in between supporting attendees to learn core QI skills by applying the theory to real life examples relating to **eliminating corridor care** and receiving coaching support for their projects.

Each attendee is expected to deliver a QI project to support the application of learning.

The course is eligible for **19 category 1 (external) CPD credits** – Applied for from the Federation of the Royal Colleges of Physicians of the United Kingdom. **The price for this programme is £400 and is open for application to all clinicians and members of the wider MDT.**

### Why corridor care?

**Corridor care is unsafe, undignified and unacceptable.** We are seeking high-impact quality improvement projects that help eliminate unsafe temporary care environments.

### What QI projects will be supported?

- Quality Improvement projects reducing corridor care
- Initiatives improving patient flow or discharge
- Work improving safety in temporary care environments
- Focus on improving wellbeing of staff providing corridor care
- Whole-system improvement approaches

### UP TO THREE AWARDS FOR CONSULTANT-LED SAM MEMBER PROJECTS WITH THE HIGHEST IMPACT

- £1000 prize
- Winners showcased by SAM
- Opportunity to publish in Postgraduate Medical Journal
