

FAMUS

ULTRASOUND FOR ACUTE MEDICINE

ENDORSED BY THE SOCIETY FOR ACUTE MEDICINE

COURSE DESCRIPTION

Our one-day course has been **approved by FAMUS** and is intended to deliver all of the components required for accreditation. The course is led by Acute Physicians with extensive experience in **Point-of-Care Ultrasound (PoCUS)**. It consists of alternating presentations, live demonstrations and practical sessions with about four hours of hands-on scanning time

WHY CHOOSE US

- **Full day course** with focused teaching and guided practical scanning session
- Scan on **healthy volunteers, scannable manikins** and **state-of-the-art simulators**
- Use a range of high quality PoCUS ultrasound machines, including **hand-held devices**
- Guided by **highly skilled & experienced faculty**
 - **Healthy buffet-style lunch** provided
